Dayton Masonic Center

The Children's Dyslexia Center of Dayton provides scientifically based multisensory reading, writing, and spelling instruction to dyslexic children of school age. Dyslexia is not curable, but it can be overcome successfully. This miracle is happening every day at our center. Through personalized one on one lessons with a professional tutor the children gain both skills and confidence in their ability to succeed!

Every year it costs approximately \$7500 to tutor one child at our Children's Dyslexia Center of Dayton, *but the results are **priceless***. This currently is a tuition-free program for one-on-one specialized instruction.

With your tax-deductible donation you can become a sponsor and help support a child's tutoring and their future endeavors. All sponsors will be remembered on a commemorative star proudly displayed at the center.
